FOUR-BUILDING MULTIFAMILY & MIXED-USE PACKAGE TOTALING 66 APARTMENTS AND 4 STORES ACROSS MANHATTAN & THE BRONX

Team Lala of RM Friedland is pleased to present this exclusive portfolio offering consisting of four multifamily and mixed-use buildings located across Harlem and the Bronx. Together, the properties comprise sixty-six residential apartments and four ground-floor retail storefronts spanning approximately 58,000 gross square feet, representing a diversified and income-producing package in established New York City neighborhoods.

The buildings feature secure steel and glass entry doors, intercom systems, and cameras throughout, with common areas upgraded by LED lighting and durable staircases of steel and marble. Roofs across the portfolio are silver-coated and in stable condition, while building systems include a mix of dual-fuel boilers, gas and electric meters in basements, and above-ground oil tanks providing flexibility of service.

Apartments are generally well maintained, with a number of units already renovated with stainless steel appliances and modern finishes, alongside vacant apartments that are rent-ready and positioned for immediate leasing.

The package also includes four retail spaces, providing additional income streams that complement the residential tenancy.

With locations including City College, Belmont, Arthur Avenue, Fordham, and the Grand Concourse, each property benefits from proximity to major transportation, shopping corridors, dining, parks, and healthcare facilities, ensuring continued demand and strong long-term fundamentals.

MULTIFAMILY BUILDING WITH TWENTY FOUR APARTMENTS LOCATED IN THE BRONX'S FORDHAM SECTION ✦ NEAR THE GRAND CONCOURSE

2512 University Avenue, The Bronx – Presenting this five-story, all-brick multifamily building located in the Fordham section of the Bronx. Constructed in 1914, the property comprises 24 residential apartments across approximately 21,385 gross square feet, delivering a solid and balanced unit mix in one of the borough's most active rental corridors. With its central location, large units, and strong in-place rents, the building represents a strong investment opportunity.

The property is enhanced with modern building systems and security features, including a steel and glass entry door, a full intercom system, and cameras strategically installed throughout for resident safety.

The lobby is accented by marble finishes extending halfway up the walls, creating a polished, welcoming aesthetic. Steel and marble staircases rise through the building, combining durability with character, while common areas are outfitted with efficient LED lighting.

The silver-coated rubber roof is in good condition, and flashing has been updated.

There is a 2015 dual-fuel boiler currently running on gas, and fed by a 3,000-gallon above-ground #2 oil tank. Electric and gas meters are located in the basement, and apartments are serviced by breakers.

The apartments themselves are generally well maintained, with several featuring modern upgrades, including stainless steel appliances and clean finishes.

The location provides exceptional access to both community amenities and transit. Just off the Grand Concourse, residents benefit from extensive shopping and services along Fordham Road, and cultural anchors such as the Bronx Library Center. Outdoor and recreational amenities include St. James Park and Poe Park, both a short walk away. Healthcare needs are well served by nearby Montefiore Medical Center and BronxCare Hospital Center.

Connectivity is excellent, with the multiple nearby subway lines at Kingsbridge Road and Fordham Road, multiple bus routes, and Metro-North's Fordham Station providing a direct link to Midtown Manhattan.

CLASSIC BRONX MULTIFAMILY BUILDING WITH SIXTEEN RESIDENTIAL APARTMENTS LOCATED IN THE BELMONT SECTION ♦ LITTLE ITALY

490 East 184th Street, The Bronx – Presenting this five-story, all-brick multifamily building located in the heart of the Belmont neighborhood of the Bronx. Constructed in 1913, the property comprises 16 spacious residential apartments across approximately 15,375 gross square feet, providing a stable and well-balanced unit mix in a vibrant rental market.

The building is secured with a modern steel and glass entry door, an intercom system, and cameras installed throughout. The entryway greets residents with original marble and tile finishes, while steel and marble staircases extend to the upper floors, reinforcing both durability and charm.

The common areas have been upgraded with efficient LED lighting, and the property is capped by a silver-coated paper roof that is in good condition and well maintained.

Mechanical systems are anchored by a 2018 dual-fuel boiler currently running on gas, complemented by a 2,500-gallon above-ground oil tank holding 2,000 gallons of #2 oil.

Gas and electric meters are neatly organized in the basement, and the apartments themselves are equipped with breakers.

The property benefits from a prime location just off East Fordham Road and Arthur Avenue, placing residents at the center of Belmont's bustling commercial and cultural hub.

Everyday conveniences include supermarkets, pharmacies, and local shops, while dining options abound with the Bronx's famed Little Italy just steps away.

St. Barnabas Hospital and other healthcare providers are nearby, along with recreational landmarks such as the New York Botanical Garden and Bronx Zoo.

Public transportation access is excellent, with multiple bus routes and the Metro-North line at Fordham Road providing direct connections to the rest of the Bronx and a quick commute to Midtown Manhattan.

MIXED-USE STEPS FROM CITY COLLEGE WITH 26 APARTMENTS & 4 STORES 2025 DUAL-FUEL BOILER ♦ 2017 ROOF ♦ MANY RENOVATED UNITS

2655 & 2657 Frederick Douglass Boulevard, Harlem –

Presenting this two-building mixed-use package located in Harlem, Manhattan. The five-story, walk-up properties were constructed in 1910 and 1925 and together comprise 26 residential apartments and four commercial storefronts across an estimated 21,508 gross square feet.

Both properties feature modern steel and glass entrances, intercom systems, and extensive security camera coverage. Common areas are improved with LED lighting and steel staircases.

Twenty-two apartments have undergone extensive renovation since 2015 and several units are currently vacant and in rent-ready condition, featuring stainless steel appliances, updated finishes, and in one case direct egress to outdoor space.

The ground floors include a long-standing hair braiding salon and a convenience store/deli, both with their own gas and electric meters. The remaining two retail spaces are vacant. All retail units are submetered for utilities and provide steady income alongside the residential tenancy.

Mechanical systems include in-unit breakers or fuses, electric and gas meters in the basement, and dual-fuel boilers. At 2655, the gas boiler is in service. **At 2657, a dual-fuel boiler was installed in 2025, with two hot water heaters currently supplying domestic hot water** and a 1,500-gallon above-ground #2 oil tank encased with weep holes also in place. The roofs (installed in 2017) are silver-coated rubber membranes.

Located steps from City College on Frederick Douglass Boulevard at West 142nd Street, the properties are well positioned within a thriving Harlem corridor. The area offers residents convenient access to multiple public transportation options, including the A, B, C, and D subway lines at 145th Street and numerous MTA bus routes. Everyday conveniences such as supermarkets, pharmacies, and local cafes are nearby, along with a wide range of dining options. St. Nicholas Park and Jackie Robinson Park are within walking distance, and Harlem Hospital Center provides accessible healthcare services.
